26th June 2020

Dear Year 3 pupils and parents/ carers,

I hope you and your families are well. We are working hard at school to finalise arrangements for children not currently attending school to visit before the end of term. I shall write to you again early next week with more information!

Below are some new activities for you to try at home this week. Please do not feel you have to complete all of them. As usual, I have tried to offer a mixture of tasks, some of which will hopefully suit you and your child. Also, please do not underestimate the amount of learning that happens when children are playing.

This week ... Sports Day!

Weekly Project 9 – Sport (see Year 3 home learning page on the school website for details).

Design a new race or activity for Sports Day. Think about what equipment you will need, how it will be scored, how many participants at a time etc. Draw, write about or create a 3D model of your idea!

Challenge yourself to improve on a PB! Skipping? Star jumps? Burpees? Running, walking or cycling further or faster?

PE with Joe Wicks.

Cosmic Yoga on Youtube.

Oxfordshire school games website www.activeoxfordshire.org/school-games

English

Log on to <https://www.pobble365.com/> Have a close look at the picture provided (or pick another day if you don't fancy that one!) Scroll down to read the Story Starter, then answer the questions and complete the challenges.

Listen to a story read by one of our volunteer readers:

[‘Hubert Horatio – A Very Fishy Tale’ by Lauren Child Part 1](#)

[‘Hubert Horatio - A Very Fishy Tale’ Part 2](#) Reading Age 7+

[Schoolreaders Storytime – Stories from ‘The Book of Hopes’ edited by Katherine Rundell](#) Reading Age 8+

Keep practising the Year 3 & 4 spellings. <https://www.twinkl.co.uk/resource/t2-e-4298-year-3-and-4-common-exception-words-word-mat>

Please continue to read at home as often as you can, and continue writing your diary of your time at home.

Maths

White Rose Maths has online lessons for each day, covering what we would have been doing in school. There is a video that the children can watch explaining the concepts and then questions they can answer.

<https://whiterosemaths.com/homelearning/year-3/>

Links to this week's work sheets and answers are available on the website **(NB: these are listed as week 10)**.

All the remaining activities on Mathletics have now been opened up <https://login.mathletics.com/>

Please continue to use the Times Tables Rockstars site as well. <https://trockstars.com/>

Term 6 Science from Miss Lovegrove - Plants

BBC bitesize website - <https://www.bbc.co.uk/bitesize/topics/zy66fg8> - this website has 6 different guides all about plants. There is an activity and quiz to complete after you watch each one.

Oak National Academy website <https://www.thenational.academy/online-classroom/year-3/foundation&subjects> – 5 online lessons all about plants.

On the website there are also links to resources to carry out an investigation you might want to try at home. There is a powerpoint explaining the experiment and then an investigation planner and results sheet (3 versions of differing complexity, please select the one most suitable to your child) There is also a powerpoint explaining what the results show and a sheet asking children to make a good plant guide based on what they found out.

Miss Lovegrove would also love to create a 'virtual year 3 garden' this term. The children could grow something at home and then send in a photo of it. As an extra challenge, they could describe what it is/ how they grew it/ write a factfile about it.

SEN

If your child has special educational needs and is working below the level expected in Year 3, please feel free to access activities from lower years in the Home Learning section on the school website.

Other Useful Websites

Activities across the whole curriculum:

<https://www.bbc.co.uk/bitesize/dailylessons>

<https://www.thenational.academy/online-classroom/year-3/>

Other/ non-screen based activities

Non-screen activities – from Pobble

Please continue to send in any photos of what you have been getting up to at home to distance.learning3@stockham.oxon.sch.uk but do remember to let me know if you would prefer them not to go on the website, thank you.

Stay safe and stay well,

Mrs McNaught
