Office.2583@stockham.oxon.sch.uk

3<sup>rd</sup> July 2020

Dear Year 3 pupils and parents/ carers,

I hope you and your families are well.

**I am really looking forward to seeing lots of you on Monday and Tuesday mornings next week! Please remember to let me know if your child will be attending by emailing me at [distance.learning3@stockham.oxon.sch.uk](mailto:distance.learning3@stockham.oxon.sch.uk) if you have not already done so. Thank you.**

**Please note that I will now only be phoning you if your child is NOT in school, either as part of a keyworkers group, or for next week's visits.**

Below are some new activities for you to try at home. Please do not feel you have to complete all of them! As usual, I have tried to offer a mixture of tasks, some of which will hopefully suit you and your child. Also, please do not underestimate the amount of learning that happens when children are playing.

## **This week ... Ma'at's Feather**

This week we would have been visited by the author Juliet Desailly. She has written 2 children's books set in ancient Egypt, the first one called 'Ma'at's Feather'. Visit her website at <http://www.julietdesailly.co.uk/> and click on the children's door to read an excerpt from her book and to find a feather headdress activity you might want to try.

## **English**

Log on to <https://www.pobble365.com/> Have a close look at the picture provided (or pick another day if you don't fancy that one!) Scroll down to read the Story Starter, then answer the questions and complete the challenges.

Listen to a story read by one of our volunteer readers:

[Schoolreaders Storytime – 'The Misadventure of Frederick' by Ben Manley](#)

[Schoolreaders Storytime – 'The Hope-o-potamus' by Greg James and Chris Smith](#)

Keep practising the Year 3 & 4 spellings. <https://www.twinkl.co.uk/resource/t2-e-4298-year-3-and-4-common-exception-words-word-mat>

Please continue to read at home as often as you can, and continue writing your diary of your time at home.

## **Maths**

White Rose Maths has online lessons for each day, covering what we would have been doing in school. There is a video that the children can watch explaining the concepts and then questions they can answer.

<https://whiterosemaths.com/homelearning/year-3/>

Links to this week's work sheets and answers are available on the website **(NB: these are listed as week 11).**

All the remaining activities on Mathletics have now been opened up <https://login.mathletics.com/>

Please continue to use the Times Tables Rockstars site as well. <https://trockstars.com/>

### **Term 6 Science from Miss Lovegrove - Plants**

BBC bitesize website - <https://www.bbc.co.uk/bitesize/topics/zy66fg8> - this website has 6 different guides all about plants. There is an activity and quiz to complete after you watch each one.

Oak National Academy website <https://www.thenational.academy/online-classroom/year-3/foundation&subjects> – 5 online lessons all about plants.

On the website there are also links to resources to carry out an investigation you might want to try at home. There is a powerpoint explaining the experiment and then an investigation planner and results sheet (3 versions of differing complexity, please select the one most suitable to your child) There is also a powerpoint explaining what the results show and a sheet asking children to make a good plant guide based on what they found out.

Miss Lovegrove would also love to create a 'virtual year 3 garden' this term. The children could grow something at home and then send in a photo of it. As an extra challenge, they could describe what it is/ how they grew it/ write a factfile about it.

### **PE**

PE with Joe Wicks.

Cosmic Yoga on Youtube.

Oxfordshire school games website [www.activeoxfordshire.org/school-games](http://www.activeoxfordshire.org/school-games)

### **SEN**

If your child has special educational needs and is working below the level expected in Year 3, please feel free to access activities from lower years in the Home Learning section on the school website.

### **Other Useful Websites**

Activities across the whole curriculum:

<https://classroomsecrets.co.uk/>

<https://www.bbc.co.uk/bitesize/dailylessons>

<https://www.thenational.academy/online-classroom/year-3/>

### **Other/ non-screen based activities**

Weekly Project 10 – Under the Sea

Non-screen activities – from Pobble

Please continue to send in any photos of what you have been getting up to at home to [distance.learning3@stockham.oxon.sch.uk](mailto:distance.learning3@stockham.oxon.sch.uk) but do remember to let me know if you would prefer them not to go on the website, thank you.

Stay safe and stay well,

Mrs McNaught
