

At the bottom of my Garden

**Written and Illustrated by
Abigail Fitton**

May 2020

One bright and sunny day at the end of my beautiful garden, was a fairy world. In that fairy world there lived a fairy called Rosie. She was kind and helpful. She lived on a Rainbow, but she wished that she could live under the rainbow instead. One day a storm came. The big storm blew her house around and around. And she landed in a doll world. She stepped out of her house and said 'where am I?' 'You are in Doll land' a voice replied. 'Who are you?' said Rosie. 'I'm Neeve the Pixy' a voice replied. 'Can you help me home?', says Rosie ? 'Go to sparkle land' said Neeve. 'But how can I get there?' Asked Rosie. 'Follow the Rainbow Brick road' said Neeve. So she nervously followed the rainbow Brick Road.

Neeve was a kind pixy. She was nice. and liked solving problems. On the way Rose found an elf. His name was Ron. He was a garden elf. He was shy and kind. Ron wanted some new green boots, so Rose said maybe if you join me on my journey following the rainbow brick road, the Mushroom King might be able to help you as well. So off they skipped along the rainbow brick road.

But on the way, they was a puff of brown smoke. When the smoke disappeared they saw another pixy. Her name was Emma the evil pixy. She was not like the other pixies. She was mean and selfish. She said to Rosie and Ron, 'you are not going to get to Sparkle Land, because I will stop you'. Then she disappeared in another puff of brown smoke.

The evil pixie set lots of mean tricks trying to stop Rosie and Ron reaching Sparkle Land, but the friends worked together and managed to overcome the evil pixy's tricks. Soon they were in Sparkle Land, and they found the Mushroom King. He said I will help you get home and some new boot, but you have to get the evil pixy's jacket first. The jacket once belonged to me, and she stole it from me using one of her mean tricks. It would mean a lot to me, if I had my lovely jacket back.

Rosie and Ron were worried, but they really wanted to get home and get some new boots, so they said 'yes' to the Mushroom King. Rosie asked the Mushroom King 'will you keep your promise?' and he agreed.

So off they went to find the evil pixy. Did they need to set their own trap to trick her? Suddenly Neeve the nice pixy appeared, and said 'I will set a trap, so you don't need to worry. I will catch her, so that you can get the jacket'.

The plan worked. Rosie and Ron thanked Neeve the nice pixy and returned the jacket to the Mushroom King. The Mushroom King was so happy, he thanked them both. The mushroom King gave them both a shiny mushroom to eat and suddenly they both had what they wanted. Ron had some shiny new green boots, and Rosie was back home at the bottom of my beautiful garden.

The End
