

WALT- build a sentence to include detailed description

Look at how I have built up the sentences by starting with a noun, then adding adjectives to it on the next layer, then verbs and adverbs on the third and finally a clause to add more detail.

Can you do the same for other things you can spot?

The sand

The gritty, pale sand

The gritty, pale sand spread far and wide.

The gritty, pale sand, which tickled people's toes, spread far and wide.

Blank template for building a sentence, consisting of four stacked rectangular boxes of increasing width from top to bottom.
