*Stimulating Curiosity, Raising Aspirations & Inspiring Ambition*

**6<sup>th</sup> December 2024**

## Newsletter

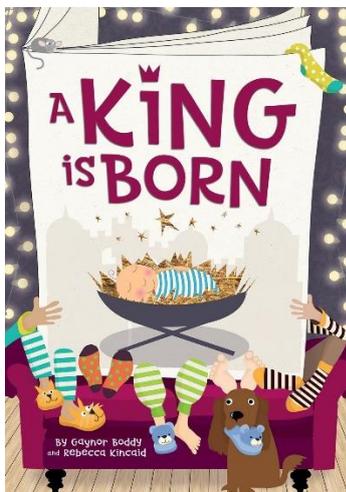

Dear Parents, Carers & Grandparents

We certainly have been busy this half term with a focus on respect for all and lots of opportunities to find the awe and wonder in our beautiful world. I have been so impressed with the children and their never-ending enthusiasm and passion for learning and making a difference in our world.

We had a wonderful visit to school by a company called iRock School of Music who hosted an amazing music assembly. The inspirational 30-minute taster assembly was led by a professional musician, who performed popular songs and give the children the chance to build a band live on stage! This forward-thinking teaching method demonstrates how children can perform in a band in just a few minutes. It was a roaring success!

Sporting Success again for Stockham – Congratulations to our Boccia Teams who competed in a local tournament. They should great resilience and determination. Well done you have made all of us at Stockham very proud!

It doesn't feel very long since last Christmas, but somehow, it is closing in again!

Our EYFS and KS1 children are practising their songs and speaking parts for their nativity so confidently. This year, the children in Foundation and KS1 will be performing the nativity 'A King is Born.'

**Foundation & KS1 performances will be held on:**

Monday 9<sup>th</sup> December at 1:30p.m

Tuesday 10<sup>th</sup> December at 6:00p.m. (children back in school by 5:30p.m.)

**All performances will be held in the school hall.**

## KS2 Christmas Celebration

We are also preparing for our KS2 Christmas Celebration using poetry and songs.

**The performances will be held on:**

Tel: 01235 764407

E mail: [Office.2583@stockham.oxon.sch.uk](mailto:Office.2583@stockham.oxon.sch.uk)

Wednesday 11th December at 9:00a.m.

Monday 16th December at 5:30 p.m. (children back in school by 5:15p.m)

**All performances will be held in the school hall.**

## **Christmas Lunch**

Christmas Lunch will be held on Wednesday 11<sup>th</sup> December. This will also be our Christmas or Brightly Coloured Jumper Day for all children if they wish to participate in the occasion.

## **Whole School Pantomime Visit**

Remember we are all off on Thursday 12<sup>th</sup> December for the Stockham annual visit to the Wyvern theatre in Swindon to watch the Pantomime Cinderella.

## **Thank you**

Firstly, I would like to say a huge thank you to everyone who donated a luxury item in order for the FOS to make some super hampers for the FOS Christmas Raffle. The raffle will be drawn on Tuesday 17<sup>th</sup> December after school in the hall.

I would also like to say another huge thank you to the Comrades Club in Wantage for their amazing generosity this Christmas. By supporting the children of Stockham Primary School by donating a beautiful Christmas tree to the school. It looks amazing!

## **Nut Allergy Reminder**

Please ensure that children do not bring any food containing nuts into school as part of their break time snack or packed lunch. We have children with nut allergies and such foods could cause extreme allergic reactions. Thank you for your understanding with this matter.

## **Sickness & Absence**

At this point in the year, we generally see an increase in the number of children with a sickness bug. Whilst we want children to attend school as much as possible, we do not want to spread any 'sickness bugs' unnecessarily. If your child is sick or has diarrhoea, please do not send them to school until they have been completely clear of symptoms for at least 24 hours. For example, if they were last sick on Sunday they should not return to school until Tuesday at the earliest. If your child is sick in school, we will phone home and ask that they are collected immediately. Children must not be sent back in to school if they have been sick or had an upset stomach until they have been symptom-free for at least 24 hours.

## Starting School in September 2025

It has wonderful to meet so many new parents who have come to look at Stockham over the last few weeks. It was a pleasure meet to and every one of you. If your child is due to start school in September 2025, please remember to submit your application through the Oxfordshire County Council website.

<https://www.oxfordshire.gov.uk/residents/schools/apply-school-place/reception-applications/make-application>

Closing date for applications is the 15<sup>th</sup> January 2025.

## Attendance

Attending school on time each and every day ensures children don't miss out on any key learning and helps us give children the best possible start to their lifelong journey of learning. At Stockham School we want our children to be in school learning and striving for success. Research has shown that regular attendance and good punctuality are crucial factors in children achieving their full potential in education.

## Lost Property

Please ensure that all items belonging to your child are clearly labelled with their name, and ideally, their class or year group. Doing so ensures that items can be reunited with their owners quickly and without issue.

## How can I find age appropriate games?

With Christmas coming up - do you need suggestions on age appropriate games? You could use either of the following websites to search suitable games. Remember, PEGI rates the gameplay so whilst it is important to review age ratings, you must also check if it has a communication feature as this might mean you decide a game is not suitable for your child.

<https://www.askaboutgames.com/find-the-right-game>

<https://www.familygamingdatabase.com/home>

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/online-games/>

## Broadband Set Up

Have you set up appropriate settings on your broadband/Wi-Fi? Most broadband providers include parental controls for free as part of their broadband package, which means that any device that connects to your Wi-Fi will be protected by any controls you set up.

## Test Your Internet Filter

SWGfL have created a tool to test your filtering to give you an indication that your broadband is blocking certain categories.

Access it here: <http://testfiltering.com/>

Remember, children may have devices that use mobile data, so they won't always be connected to your Wi-Fi. Ensure you set up parental controls on these devices too.

## Is YouTube safe?

The NSPCC have produced this article discussing the risks associated with using YouTube and the safety settings and features that are available depending on how old your child is and what they do on YouTube. You can access the article here:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/online-safety-blog/how-to-keep-your-child-safe-on-youtube/>

## Road Safety

CBBC Newsround have some top tips to think about so you can stay road safe as the nights are getting darker earlier. <https://www.bbc.co.uk/newsround/av/67462322>
