

STOCKHAM PRIMARY SCHOOL

THURSDAY NEWSLETTER

Issue No: 560

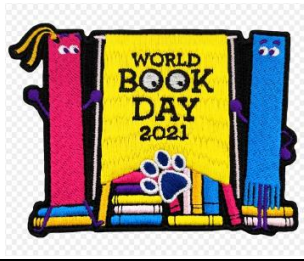

Thursday 25th February 2021

Dear Parents and Carers,

We are very much looking forward to welcoming the children back on Monday 8th March. The teachers have told me that the children are extremely excited too!

We understand that for lots of children, returning to school will have been very positive news. Please let your child's teacher know if there is anything they can do to help support your child with the return to school and to settle into their usual school routine.

A list of timings and where to drop your child/ren off will be sent on Monday afternoon. Please read this information carefully as there will be important health and safety information.

Important dates:

Thursday 4th March – World Book Day. Children may come to school or 'TEAM in' from home wearing a costume or accessory from their favourite book. This does not need to be a full costume, it could be a hat, face paints or drawing a picture of their front cover and showing it to their teacher. Mrs Burson and the teachers are busy planning a grid of fun activities linked to World Book Day. This grid is the same for all pupils in school, so that families with siblings can work together for the day. You may even get the chance to guess who your class 'masked reader' is!

Friday 5th March – Live assembly to both parents and children at 2.40pm. The link will be on your child's TEAMS page on the morning of the assembly.

Monday 8th March – all children return to school – yippee!

Friday 19th March – Red Nose Day – More information to follow

Wednesday 31st March – End of term 4 (12.00pm for Years F, 1, 5 and 6; 12.10pm for Years 2, 3, and 4)

Monday 19th April –Term 5 begins.

Many thanks,
Mrs Ruth Burbank.

Soaring High

This week the following children have earned "Soaring High":

Year F Morgan, who has undertaken all of his home learning tasks brilliantly, and is always ready to contribute during our live Teams meetings. We are so pleased to have you as such an active part of Foundation class!

Mollie for her superb Spring Nature Walk photographs! We loved seeing all of the signs of spring that you found, and you took some great photographs of them too.

Year 1 Elizabeth for using such fabulous determination in everything she does! You are an excellent role model to all of our class and your work is so beautiful with fabulous ideas. Well done!

Daniel for using such amazing independence in his work, you have a try at everything and always work really hard. Your work this week has been really excellent, particularly writing. Well done!

Year 2 Louis for an outstanding contribution to our learning at school. You have shown such commitment, determination and excitement in all our lessons and it has been wonderful to see your confidence grow and grow. You are a star, Louis!

William and Pip for working exceptionally hard at home. I have been so impressed with your commitment to all our lessons and it has been a privilege to see your enthusiasm and hard work on screen during our live lessons too. I am so proud of you both!

Year 3 Harry H for always working to the best of your ability and tackling extra challenges with both care and enthusiasm. You listen and concentrate well and always use your learning powers to produce work of a very high standard.

Annabelle for an exceptional standard of work produced while learning from home. Your work is always neat, thorough and thoughtful. You have clearly listened well to the videos and you have tackled every task set with great confidence.

Year 4 Harry for fantastic home learning. He always works incredibly hard and challenges himself with the deep sea dive tasks. Harry always contributes lots in our on-line meetings and lessons and clearly thinks carefully about his responses. He has embraced all the challenges and 'Mrs Burson' tasks while we have been home learning. Well done, Harry.

Jack for having a wonderful attitude to his learning and school work in general at the moment. Jack has made a massive improvement in his attitude and this is having a positive effect on his work. It is lovely to see how proud you are of all your achievements at the moment - keep it up! Well done, Jack, you are a star!

Year 5 Kiran for some great science experiments at home.

Scott for some good fraction work.

Year 6 Phoebe for having a fantastic attitude towards online learning. Her contributions in our live sessions are always valuable and she has a smile on her face every day. Charlie for persevering with his online maths work. He has worked incredibly hard learning all about fractions and I can tell that his confidence is really improving because of it. Well done Charlie!

Well done everyone!
